bromley little theatre
outstanding theatre for everyone

Polite Notice re. Covid-19

Whilst its business as usual here at Bromley Little Theatre, we'd like to ask everyone involved in or visiting our theatre to take some extra precautions to protect yourself and others, and minimise the spread of illness.

- Please wash your hands frequently, with soap and water, when using our facilities. This may mean a slightly longer wait in the toilet queue, but it's worth it!
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze.
- When using tissues, please dispose of them as soon as possible in the bins provided. Then wash your hands thoroughly before touching anything.
- If you are using our kitchen, please clean thoroughly after use, with the anti-bacterial spray provided.
- If you have returned from any areas where Covid-19 has been identified, please follow the advice on the government website. https://www.gov.uk/government/publications/covid-19-specified-countries-and-areas
- If you have a fever, cough or difficulty breathing, seek medical attention by calling 111.
- If you have visited BLT, and then either contracted Covid-19, or had been in proximity of someone who has contracted Covid-19, please advise us by emailing board@bromleylittetheatre.org
- Individuals feeling unwell are politely asked to not visit BLT.

Tissues are provided in the bar, and soap and hot water is available in the kitchen and toilets. If there is anything else we can help with, please let us know. Thank you for your cooperation.
